FROM THE PRINCIPAL
EVERY STUDENT in EVERY CLASS (and activity) EVERY DAY of the school year (in uniform including hats).

Kedron Week
Kedron Week was spectacular. The morning assemblies were a positive showcase of student talent and diversity enjoyed by students, staff and parents. Congratulations to Mrs Lacey, Ms Heath and Mrs Hall for their leadership of the week and to all staff and students who prepared the performances, activities and food. This is a unique and wonderful part of Kedron SHS school life that I am sure the students will remember and talk about for many years after they graduate.

Athletics Carnival
Lutwyche continued their dominance of sporting carnivals taking out the Interhouse Athletics Carnival on Thursday the 18th of July, fighting off a strong challenge from a resurgent Wickham house. The staff and students are to be commended for the way they adjusted to the wet conditions early and kept the fun and competition going throughout the day. Well done to Mr Blanshard and his team for the organisation and running of the carnival. We wish the team well for the District competition to be held on August 5 and 6.

A night of Disney magic
Interestingly dressed in Disney character costumes students and staff capped off Kedron Week with the annual dance. Thank you to Mrs Maguire, Mr Thwaites and the Interact team who organised event and those who gave up their Friday night to run and supervise the fun.

Parent Teacher conferences
The link between home and school is a vital component in student success. I was very pleased to be part of our second Parent Teacher Conference night for the year. This time we trialled 5 minute interviews in an effort to allow more parents to see the teachers they would like to speak with. I would like to hear any feedback regarding this change via email to the.principal@kedronshs.eq.edu.au Nearly 300 families booked just under 1500 conferences on the night, this is an increase on the similar event last year. Very few families were not able to book a suitable time on the night due to the trial of the 5 minute timeslots.

CONGRATULATIONS TO . . .

Jordan Marozza who competed in the Level 9 Open, Men’s Artistic Gymnastics, Nationals Competition held at Sydney Olympic Park on the 11th, 19th July. He performed exceptionally well placing 2nd on Rings and being awarded a Silver Medal! Having competed on all apparatus (Rings, Floor, Pommel, Vault, High Bar and Parallel Bars) during the days of competition, Jordan has received an overall National ranking of 11th.

Jordan’s final night of competition was held on the same night as the final State of Origin clash. Somewhat challenging being in Sydney wearing a maroon Queensland Team track suit only steps away from where the game was being played. Talented and brave! Well done, Jordan!

Sarah Crisp (Year 12) who has been selected in the Queensland Under 18 Women’s Handball team. This team will compete at the Nationals that are being held in Brisbane this year. Sarah is one of a number of students who have recently discovered the game and who took part in the Qld All Schools Tournament at the end of last term. Handball is also offered as an after school sport on Thursday afternoons in the Sports Hall and we would encourage any new players to come down and join us. We wish Sarah all the best at the Nationals.

HIGH ACHIEVING KEDRON STUDENTS SUCCEED IN UNIVERSITY STUDIES

WHILST IN YEAR 12

Marnie Mailata participated in the Enhanced Studies Program (ESP) at UQ this semester. This meant she successfully completed all requirements of the course. ENGL1800 – Literary Classics, achieving a credit whilst still completing her school studies. That is no easy feat. Well done Marnie!

Is this for you/your son or daughter?

Studying a university subject whilst in Year 11 or 12 can be rewarding (although very challenging to balance a full school study workload). It is important to discuss this option with parents/students and the Guidance Officer to understand the costs and benefits. For more information or to enrol for 2014, click on:

UQ: http://www.uq.edu.au/esp/
QUT: http://www.qut.edu.au/study/high-school-programs/start-qut
GU: http://www.griffith.edu.au/admissions/guests-program
USQ: http://usq.edu.au/future-students/high-school-students/head-start
USC: http://www.usc.edu.au/study/courses-and-programs/headstart-program-year-11-and-12-students

If applying, the student needs to make an appointment to see me (applications are online) and bring their completed application form please. Thanks, Fiona Lyon, Guidance Officer.

SOCIAL MEDIA EXPLAINED- ASK.FM & KIK.

In simple terms, ask.fm is a website that allows users to ask questions of, or make comments about another user. In many cases, the questions are often deemed too offensive or inappropriate to ask in person, and are therefore often posted anonymously.

Kik Messenger is a free texting application available for iPhones, Android, Windows, and Blackberry phones which is rated 17+ in the App Store. The ‘app’ allows users to send messages or images to others through the internet. In many cases, this application allows communication between ‘strangers’, or users who are not personally known to one another.

As a school, we don’t believe that there is any benefit to students using these programs as they fail to produce any positives outcomes, and in fact, significantly increase the risk of students being bullied. These programs offer functions and possess a nature which facilitate those who wish to misuse technology against others. We have seen a significant spike in cyber bullying incidents involving these two modes of communication, and would advise that students do not access these programs. We would strongly encourage parents to actively monitor their child’s access to programs or websites such as these.

To help your children stay safe online, Kedron State High School is hosting a Cybersmart Outreach—Internet Safety Awareness presentation on September 9th at 6:30pm. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives. More specific information, including how to register your interest, will be made available closer to the date.

YEAR 9 COMPUTER TABLET DISTRIBUTION

At last, the cases for the tablets have arrived and we plan to distribute the computers during Period 3 on Monday 5th August. For your student to receive one, their contract must be completed, signed and returned to the Middle School office by Thursday 1st August.

Contracts were distributed during the parent information evening, and also through student form rolls. If your student has not brought one home, please contact the school so we can ensure they receive one. The booklet contains a great deal of information regarding the conditions of the take-home program. Please remember that:

- The tablet and all accessories remain the property of the school.
- The tablet MUST be carried around in its case or warranty does not apply.
- Acer is very specific regarding warranties and careless behaviour.

Let’s encourage the return of the contracts and the careful use of the equipment.

Jean Heath (HOD IT & Business)
“A NIGHT IN DISNEY LAND”

Last Friday night, our hall went under some special alterations and became an enchanted Disney Land for our annual school dance. There was a huge sea of different characters— from Stitch to Jack Sparrow to Cinderella. These fantastic costumes however, no matter how crazy, did not stop our students from dancing. They were all out on the dance floor showing off their best moves.

Thank you to all who came and allowed for a magical night, while giving to a great cause. All the profits from the dance will be combined with the money collected from the free dress day and the teacher slave auction. This amount will be donated to the Brisbane Homelessness Services Centre (BHSC). We do not yet know the exact amount raised, but watch this space: it is sure to be at least $1000. What a great job!!

Thank you to all who made the night possible— those who helped with preparations and on the night. A huge thank you to Mrs Maguire and Mr Thwaites for all their support and organisation- without them it couldn’t have gone ahead. Overall, it was a great event to celebrate and end our beloved Kedron Week, but at the same time give back to the community.

Interact Executives

BORNEO BOUND

Year 12 student Lucie Brown from Mt Samson has taken the challenge of participating in a World Challenge Expedition to Borneo with Kedron State High School in 2013.

This experience of a lifetime provides students the opportunity to experience the wonders of the developing world while unlocking their true potential. World Challenge programs are entirely student led and Lucie will be involved in every aspect of the expedition preparation from raising her own funds to planning the team’s overseas itinerary.

While in Borneo, Lucie will rotate roles with the other students and assume the responsibilities of leader, accountant, accommodation manager and transport manager. The team will undertake a volunteer project that will significantly benefit a local community. The team will also complete a 7 day trek, designed to challenge the team in a mental, physical and emotional capacity.

Throughout the program Lucie will learn and demonstrate many transferable life skills. These include leadership, teamwork, initiative, decision making, planning and communication while embracing the World Challenge ethics of Challenge, Participation and Environment.

One way in which Lucie is hoping to raise funds for this expedition is to complete a sponsored skydive to raise $3000. If she reaches this target, her maths teacher Kymberly Webb (who is also going on the expedition) is willing to let Lucie “push” her out of the plane— wearing a parachute of course!

Lucie would like to thank the two main sponsors: Mirka of Sunshine Coast Skydiving at Caloundra and Norris VW Kedron.

If anyone would like to sponsor Lucie they can make donations at any branch of the Bendigo Bank – BSB: 633-000 Account number: 149806077 or call 0427 176 255 for more details.

Story from: The Village Pump, Friday, July 19, 2013 -Page 3

GET STARTED RETURNS FOR ROUND 2

The second round of the Queensland Government’s Get Started program is now open, offering vouchers worth up to $150 to help families pay membership fees for children to join a registered sport or recreation club.

Children with a parent or guardian who holds a health care or pension concession card are automatically eligible to apply, while other families will need to submit recommendations from two referral agents. Applications are processed on a first come, first served basis.

Details are available from the Department of National Parks, Recreation, Sport and Racing’s Get in the Game website.

KEDRON CAMPUS CANTER 2013
The annual Campus Canter was held on Monday 15th July with the competitors running approximately 800m in and around the school. Students were inspired by the music “Chariots of Fire”. Congratulations to the winners for each category who will have their names engraved on the perpetual trophy. Special mention must go to Chris Lofaro who has won 5 years in a row (Yr 8 through to Yr 12) and Chelsea Vincent who has won 4 years in a row (Yr 9 to Yr 12).

Junior Male: Tim Vincent (2.10)
Junior Female: Stephanie Vincent (2.32)
Senior Male: Chris Lofaro (2.09)
Senior Female: Chelsea Vincent (2.26)

Mr Farrelly

RECORD BREAKERS
At the Athletics Carnival we had a number of school records broken in phenomenal performances by our students. Three long standing school records were broken. These were achieved by the following boys:
Connor Granzien broke the 100m record for the 18 Years Boys with a time of 11.91 seconds. Connor had previously broken the triple jump record at the half day athletics. Chris Lofaro broke the Long Jump record for the 17 Years Boys with 6.75 metres.
Tre Witehira broke the Shot Put record for 17 Years Boys with a throw of 14.50 metres.
These boys are all in their final year of school at Kedron so it is a wonderful memento for their last ever school athletics carnival.

LUTWYCHE RETAINS ITS ATHLETICS CROWN
This year the school sports carnivals have been all about two houses, Lutwyche and Wickham. Lutwyche was looking to complete another clean sweep of all events while Wickham won their first Cross Country title in over two decades.
On a very wet and windy day Kedron’s students gathered to compete in a variety of running and field events. Despite having two rain delays and some very miserable looking athletes the day went off without a hitch. This is due entirely to an impressive effort by the students to get “stuck in”, whatever the weather. I was extremely proud of the behaviour of the students in such uncomfortable and trying conditions, as well as the staff who soldiered on.

As is always the case the highlight of the day were the house 4 x 100m relays which took place along the 100m straight, in between to walls of spectators. Kedron saw some outstanding running by its fastest runners that should put us in good stead for the Central District Athletics Carnival in Week 5.
Ultimately it came down to higher levels of student participation by Lutwyche as they pipped Wickham by just over 100 points, 3478 to 3323. Congratulations to house captains Bennett Chiltern and Markella Maverick.

The only draw back to the weather was the cancellation of the Discus events, due to safety concerns over students being able to control a heavy, wet discus. As a result that event will be run in Week 3. At time of going to press we are unable to announce the result, which means we cannot name our Age Champions. We will do so in our next newsletter.

Thanks once again to the students and staff who overcame the difficult weather conditions to make it such a fun day.

CENTRAL DISTRICT ATHLETICS CARNIVAL
Mr David Sharp is the manager of the Kedron Athletics Team that will be going to Wavell SHS and the University of Queensland for the Central District Athletics Carnival. The carnival is in Week 5 and the dates are Monday the 5th of August, from 9am – 1pm for going to Wavell SHS. The following day, Tuesday the 6th of August is when we go to the University of Queensland Athletics track for the all-day meet.
To qualify for the Kedron team a student needs to have finished 1st or 2nd in an event. If a student is unsure if they are eligible or not please come down to the HPE Department to find out.

MET NORTH CRICKET TRIALS
Trials are on soon for Met North cricket. These trials will be taking place over the next month or so in preparation for the upcoming summer season. Please see the list below for age categories, trial dates and locations. Any students who are unsure who to nominate please see Mr Blanshard in the HPE Department to pick up the relevant forms. More information can also be found on the Met North website: www.metnorthsport.qld.edu.au

Girls 15 Years Cricket is on Tuesday the 13th and 20th of August at St Margaret’s, Albion from 4pm until 5:30pm.
Boys 14 Years Cricket is on the Tuesday the 10th of September at Brisbane Grammar Playing Fields, Northgate, from 9am until 3pm.
Boys 19 Years Cricket is on the Tuesday the 10th of September at Everton Districts Cricket Club, Chermside West, from 9am until 3pm.
Please see Mr Blanshard for all paperwork.
**FREE JUNIOR GOLF AT NUDGEE**

Nudgee College is offering free coaching to children aged 4 – 15 years old. This is for all levels, from beginner to more experienced. The classes will take place at Nudgee College (2199 Sandgate Road Boondall).

All lessons will take place from 2pm – 5pm. The dates are as follows:
- Sun 25th of August
- Sun 1st of September
- Sun 8th of September
- Sun 20th of September
- Sun 27th of September
- Sun 3rd of September

All interested parents ask to call (07) 3865 0595 to make a booking. Places are limited and parents must be in attendance during the lesson.

**POWERHOUSE RAISING TEENAGE BOYS PRESENTATION**

On Wednesday, 10 July, presenters Andy Roy and Stephen Halsall presented to Kedron parents about a the teenage brain (in explaining behaviours of adolescents), the transition youth AND their parents experience as they mature, keys for effective parenting- providing practical ideas about managing technology, diet (minimising sugar intake), sleep (the necessity for 8-9.5 hours/night minimum to learn), communication and more.

Andy also provided valuable insight into ‘letting go’ (of frustrations and emotions), avoiding conflict and gave the analogy, ‘only fixing a leaking roof when the sun shines’ (as opposed to when the storm is brewing) and in general, how to avoid costly mistakes as you assist your son/daughter grow and develop into well-rounded adults.

It was a very informative and had some great hands-on ideas to take home. I think, most importantly, it was good for parents to hear that generally, they felt like they were doing a ‘good job’ and that it is okay to let their son/daughter make mistakes (i.e. not have to be a ‘hovering helicopter parent’ or a parent who must make everything ‘perfect’ for them- let them experience challenges, errors and own and fix their own problems rather than always bailing them out). Feedback I received was that they gave positive examples, useful strategies to implement (and a few laughs). Thank you to parents and staff who attended (it was a cold and wet evening to come in from your cosy, warm homes) and our guest speakers for their informative presentation. Fiona Lyon, Guidance Officer.

**TUTORIAL OPPORTUNITIES**

This is just a brief notice to make you aware of some fantastic tutorial opportunities that are currently available for your son/daughter at Kedron State High School each week.

Please find at the back of the newsletter a timetable that outlines all of the current tutorial opportunities available throughout the school. Each tutorial session is targeted to a specific year level and/or subject area. These tutorials rely on the generous donation of time by staff volunteers, and operate both within school hours (lunch times), and after school, in different buildings across the school campus- as indicated on the timetable. You, or your child, do not need sign up to any of these tutorials; students are welcome to come and go as they require.

Please also note the two Homework Club sessions which take place on Wednesday and Thursday afternoons. These are run by carefully selected senior students who have volunteered their time to offer assistance to Years 8, 9 and 10 students in the core subjects of Maths, Science, S.O.S.E. and English. These sessions take place in the library, and are supervised by a staff member. Homework Club is ideal for students who wish some additional support with homework, or assessment tasks, or who may simply want a quiet space to work with computer access. Once again, you do not need to sign up for these sessions at all.

Should you wish to know more information about the content of specific tutorial sessions, then please do not hesitate to contact the specific supervising teacher listed on the timetable directly. Should your questions or concerns relate to your child's performance in a particular subject area, or whether your child would benefit from these tutorial opportunities, please direct the enquiry to their classroom teacher or the relevant Head of Department.

**UNSW INDIGENOUS WINTER SCHOOL CAMP**

During the first week of this Term 3, year 10 students, Alanna Keogh & Lani Fabila attended the University of New South Wales Indigenous Winter School. They were selected out nearly 300 applicants from all over Australia wishing to participate in the school. The school is an initiative of the Nura Gili Indigenous Unit and is a program specifically for Indigenous students in years 10, 11 and 12 who are considering further studies beyond high school. The week long residential program is designed to provide students with the opportunity to experience what university life is all about, through participation in academic lectures and tutorials, presentations, study sessions, team building activities, interacting with university staff, current students and fellow applicants, and cultural activities.

Lani chose the subject of Law and Alanna chose Business. Both girls have reported that they enjoyed the experience, in their words, “It was amazing” and made many new friends. Congratulations Alanna & Lani.

KEDRON WEEK 2013

As Kedron Week festivities opened on Monday 15 July to Budda McCarthy’s “Welcome to Country” and Geoff Fabilla on the didgeridoo, teachers and students alike knew it would be a wonderful week embracing and celebrating the rich multicultural fabric of our school. Each day students were welcomed to assembly by classmates speaking some of the 50+ languages spoken at our school. Students and staff were treated to musical and cultural performances including Polynesian dancing, a fashion show of national costumes and clothes and a digital presentation by deaf students. Run by student leaders from each year level, performances showcased student excellence in music, sport and culture.

Instrumental music featured heavily in every assembly with performances by the Percussion Group, Wind Symphony, World Ensemble, String Orchestra and the award winning Kedron Acapella. Thank you to Mr Hardy and his team of dedicated music teachers who continue to provide so many opportunities for students to cultivate and refine their musical talent.

I

Lunchtime activities such as K factor, the Kedron Campus Cantor and Spelling Bee added to the festive spirit, which culminated on Thursday with the Interschool Athletics Carnival and Friday with International Food Day and the Interact dance.

Special thanks to Mrs Hall, Mrs Heath, Mrs Lacey and Mrs Dannenberg for their organisation and the many teachers, support staff and students who made Kedron Week another enormous success this year. We look forward with much anticipation to Kedron Week 2014!

International Food Day

Each year International Food Day is one of the most highly anticipated and popular events during Kedron Week celebrations and this year was no exception. Students and staff provided over thirty-five dishes from a range of different countries including cannoli from Italy, cassava cake from Malaysia, chicken adobo from the Philippines, chapati from Uganda and cornish pasties from the UK.

With long queues stretching for most of first break on Friday, every morsel of food was sold to hungry students (and teachers) keen to try a variety of delicious foreign food. Thank you to the many families who contributed to the success of International Food Day by preparing and providing tasty dishes, and the many teachers, support staff and students who gave time on the day. Special thanks to Mrs Nagel for her logistical co-ordination and Prefect, Jenny Fang for her organisation and inspiration to the student body.

Language Performances - Kedron Week 2013

With Japanese, Chinese, French, Spanish and Auslan being taught at the school, the Languages faculty was very well represented during Kedron Week celebrations. Chinese dancers performed a spectacular live Gongfu dance on Monday, followed on Tuesday by Mrs Fedrizzi’s junior Spanish classes dancing “This is Africa”. Mr Von Rentzell and Mr Boland (honorary Japanese teacher) practised their “Shrimp and Prawn aerobics” with all the Japanese students in front of the whole school on Wednesday and Mrs Saunders Year 12 French class became French Eurovision stars with their rendition of “Elle me dit” (She tells me). Well done to all of our very talented students! It is so much fun to learn languages!

Language students also ran the Athletics Carnival sausage sizzle which raised funds for the Japan trip in September.
Another huge Term 3 ahead and it’s already gotten off to a flying start! In Week 2 we all celebrated Kedron Week for 2013 with performances from our Percussion Ensemble 1, Wind Symphony, World Ensemble, Wind Ensemble, Harp program students, String Ensemble and our award winning Kedron Acapella group. The groups performed wonderfully and were complemented by some amazing musical performances from Fin Taylor, Alex Zhou and Kunchana Meregngnage smashin’ out some John Butler Trio (a Banjo on Kedron Week??) and Winnie Li’s incredible performance on the Chinese Zither. Thank you to Mr Farquharson, Ms Lutherborrow, Mr Lang, Ms Van Gualen, Mr Boughen, Ms Lin and Ms Hardy for all their efforts organising each of the performances throughout the week!

Backing straight up from Kedron Week was our inaugural Cabaret on Friday night! Featuring comedy, musical performances, drama monologues and Commedia Del Arte sketches and student art displays from around our Arts Department, the evening helped us raise funds for our extra-curricular programs supported by the P&C. Our instrumental music students performed in small ensembles alongside our vocal program students, drama students and visual art student displays in a great show of our Arts program’s diversity and strength at Kedron SHS.

A massive thanks to our Arts Faculty teaching staff Ms Want, Ms Holden, Ms Faber, Mr Lang, Ms Barnes and Ms Hardy for their support and commitment to continually inspiring and nurturing the artistic development of the students at Kedron. A big thanks to our Arts teacher aides Jessica Breen and Alison Desmond for their hard work and support behind the scenes organising catering, tables, promotional material and installing art displays. Thanks too, to our raffle sponsors on the night, including Merlo Coffee, the Brisbane Powerhouse, Morris Brothers Music, Campo Di Fiori and the Queensland Youth Orchestra and Mrs O’Leary’s CD Packs! Lastly, thank you to all of the families (including our parent volunteers) for attending the rehearsals and to the students for putting your amazing work together for us.

Next on the instrumental music calendar are our showcase evenings coming up toward the end of August commencing with our Percussion Showcase on Monday the 26th of August and our Brass and Woodwind showcase on Tuesday the 27th of August. Our second Symphony Orchestra workshop will follow on Saturday the 31st of August. Letters for all of these events will be available shortly from outside of the I Block staffroom.

Also pushing on into Term 4 this year we’re already planning for our Gala Concert, Summer Jazz Tour with the Big Band and our Vocal Showcase, all within the first three weeks of term! Stay tuned for more events to follow in the coming months!!
