FROM THE PRINCIPAL
EVERY STUDENT in EVERY CLASS (and activity)
EVERY DAY of the school year.
THANK YOU. To the large number of parents and caregivers
who attended the Meet and Greet for Year 8, Year 12 QCS
evening and the Year 9 laptop evening during the last
fortnight. It is really pleasing to see so many interested
parents willing to get informed and involved in the activities
here at school.

GET INVOLVED I encourage students to take advantage of
the broad range of activities available to them in the school.
They provide an opportunity to work with and share time with
students who have a similar interest. All activities are well
supported and all invite and encourage more students to get
involved.

HANDS OFF OR PAY THE PRICE: Our community is a
‘HANDS OFF’ environment. There is a consequence or any
breach of this practice. Our society is now only just
addressing this issue in any meaningful way and our stance in
our community is the only appropriate one when we value
safety so highly. It also translates into a ‘KEEP YOUR
COMMENTS TO YOURSELF’ policy as both constitute a
form of bullying that we simply do not tolerate in our
community. There are very harsh consequences for breaches
of these policies. There are no warnings other than the one
given on our first assembly of the year. In our community I
expect that we do and will respect each other at all times.
Myron McCormick

COMING EVENTS
MARCH
4   Junior Interschool Sport Round 2
5   Senior Interschool Sport Round 3
7   Yr 12 Drama (The Mountaintop Performance QTC)

    Yr 10 Investiture P4 (Hall)

INTERACT EASTER EGG DRIVE
Easter is once again almost upon us! As usual, Interact is running a chocolate Easter Egg
Drive, the proceeds of which go to three beneficiaries, Clifford House, Ronald McDonald House and the Children’s
Hospital Foundation. If you would like to donate small chocolate Easter eggs, please deliver them to Mr Thwaites in
LA staffroom. Thank you in advance for your generosity from all those children and old folk who will smile at the gifts.
Mr. Thwaites

YEAR LEVEL ASSIGNMENT &
ASSESSMENT SCHEDULE INFORMATION
FOR SEMESTER ONE
Year level Assignment & Assessment information for semester
one has now been distributed to all students (paper copy and
e-mail). This document includes a Summary of due dates for
assignments and exams, a more detailed Schedule of the
assessment items, the school’s Assessment Policy and an
overview of Tutorial Opportunities available to students.

Spare copies of these Schedules are available from the Year
Coordinators (Years 8 & 9) and the Senior Secondary Office
(Year 10, 11 and 12).

These documents are also available on the Kedron SHS
website:
For Years 8 and 9 go to:
https://kedronshs.eq.edu.au/Curriculum/Juniorsecondary/Page
s/Juniorsecondary.aspx
For Years 10, 11 and 12 go to:
https://kedronshs.eq.edu.au/Curriculum/Seniorsecondary/Page
s/Seniorsecondary.aspx

YEAR 12 INFORMATION &
COLLABORATION EVENING -
TUESDAY 4 MARCH
A reminder that parents/carers and their Year 12 QCS
student are invited to attend a Queensland Core Skills
test (QCS) information and collaboration evening on
Tuesday 4 March in the School Hall (5:30pm – 6:30pm).
The aim of this evening is:
• to commence a dialogue between home and school
  around Year 12 demands;
• to discuss the purpose of the Queensland Core Skills
  test (QCS), what is tested and the format of the test;
• to discuss Overall Position (OP) and Field Position
  (FP) calculations;
• to outline the facts of the QCS test and respond to
  any questions parents/carers may raise;
• to seek input from parents and the Kedron
  community on designing and improving the QCS
  preparation program.

Please RSVP to Jo O’Leary (Senior Secondary Office)
by email: jolea14@eq.edu.au

REMINDER
CYBER (SMART) – Internet privacy in an age
of oversharing
We are holding an information session for parents on
Monday 10th March
@6.30pm in the Front Hall
at Kedron State High
For more info email: ndyso8@eq.edu.au
VACCINATIONS REMINDER
THE FOLLOWING VACCINATIONS WILL BE ADMINISTERED ON
THURSDAY 13 MARCH 2014 FOR THE FOLLOWING STUDENTS HPV 1 Yr 8's & YR10 (Boys)

STUDENT INTERNET DOWNLOAD LIMITS
All students are allocated sufficient monthly download allocations to complete their schoolwork. If a student chooses to do non-school based internet activities then this allocation can easily be used up before the month is completed. The student then has no internet access for school activities until the next calendar month.

Activities which can use considerable download include, but are not limited to:
- Watching/ downloading movies and TV shows
- Watching live streaming of events such as sporting events
- Listening to or downloading music
- Playing games on the internet
- Having many internet windows open, especially if they are open at pages which refresh frequently

Many other activities also use the allocated download.

As an encouragement for students to be mindful of their internet use at school, any student who exceeds their allocation in one calendar month will only receive half that allocation in the following month. If they can show more responsible behaviour after that, then their original allocation will be restored.

Download limits apply each calendar month and any allocation not used cannot be carried forward.

Student webmail allocations
Students are allocated 15MB of storage for emails. Year Level co-ordinators and HODs use email as a way to communicate with groups of students. Sometimes these emails can be large. It is the student’s responsibility to check their emails and manage them to ensure there is always space to receive further communications.

Here’s a suggested daily process:
- Access the internet at school using Internet Explorer. This allows the school’s Student Intranet site to be viewed. Important information is held here.
- Access webmail, either through the link on the intranet site or at https://webmail.eq.edu.au (Note that there is no www at the start)
- Read new emails
  - If important information is to be saved, save a copy to the laptop or school H: drive.
  - Delete unwanted emails and those that have been dealt with
- Don’t forget to delete all SENT messages
- Don’t forget to empty the Trash mailbox before exiting.

There have recently been issues where students received error messages and could neither delete emails, nor empty Trash. These should all have been corrected and Webmail should now be working normally.

YEAR 9 LAPTOP PROGRAM
Tuesday 25th February saw a successful laptop information night for parents of students in Year 9. If you could not make it to the information session, your student has been issued with a copy of the Charter document which gives a great deal of information about the program.

In addition, a pink contract has been issued which must be completed, signed by both the parent and the student, and then returned to the box in the main office. The school will also sign the contract, and then the student will be notified when their laptop can be collected.

The laptop will need to be charged overnight before it can be used in the classroom. If for some reason the laptop fails to charge, the student should report to K Block with the laptop and charger. Any other issues and concerns should also be taken to the techs in K Block.

Operation times:
- Before school (from 8:30)
- First break
- Second break
- After school (until 3:15)

At Kedron High, we believe that student engagement and outcomes have been enhanced by the use of laptops and we feel that all students benefit from having access to their own device.

NATIONAL SCHOOLS CONSTITUTIONAL COVENANT
Four of our Year 12 Study of Society students, Lucy Coogan, Bridget Duda, Brittany Gent and Kiarna Sykes attended the Queensland event at State Parliament House. They listened to guest speakers, including Mr Stephen Keim, a prominent civil rights lawyer and former parent at Kedron SHS and engaged in a series of workshops showing how the federal constitution and referendums work. Lucy Coogan, as the school's delegate, had to deliver a two minute speech and compete against 27 other students on the topic Does Australia need a Bill of Rights?

Out of the 27 speaking delegates, Lucy was voted in second overall along with only four students from other schools. Lucy will be attending the National Schools Constitutional Convention representing Queensland to be held in Canberra 12-14 March. This is a wonderful opportunity. It's a testament to her confident delivery and polished speech that she did so well. Her success is not based on good luck but it's the residue of her hard work and the skills she has picked up through participating in the school's debating program. Congratulations to Lucy, who is the sixth student from Kedron to attend this event over the last nine years.

VOCAL AND INSTRUMENTAL MUSIC 2014
Welcome back to all of our brand new and returning extra-curricular music students and families for 2014! For those who are new to the school, my name’s Rohan Hardy and I’d just like to introduce myself as the Acting Head of Department for the Arts at Kedron. If you have any queries regarding our instrumental music, vocal or harp programs or are seeking any information about our art, drama and classroom music curricular programs please contact me on rhard61@eq.edu.au

I’d also like to introduce some new staff and welcome back some continuing staff in our instrumental music faculty for 2014. We welcome Sam Mitchell to our itinerant staff team who will be replacing Bruce Hamlin as our new Percussion teacher and Percussion Ensemble One director, here at Kedron every Monday. We also welcome Paul Johnston from Mackay as our new Brass teacher and Wind Symphony director (on Tuesdays) and welcome back Alyson van Gaalen as our Woodwind teacher and Wind Ensemble director and brand new Stage Band (Tuesday’s and Thursday’s). Also returning with us have Mark Boughen teaching our Strings students and Susie Hardy returning as a full time faculty member directing our Vocal program and Classroom teacher. We also welcome back Fay Lin (harp) to our sessional teaching team this year.

Please note that parents and caregivers will be invoiced for their participation in our programs at a cost of $60 per year for vocal and harp lessons, $85 per year for all instrumental music students participating in strings, brass, woodwind and percussion programs and an additional $135 per year for any students requiring use of our instrument loan program. Please do not pay for Extra-Curricular Music until you have received your invoice for this year.

You can download the handbook for the music programs for more information about fees and the program from our website www.kedronshs.eq.edu.au

We have a very active and supportive parent community for the Arts here at Kedron. If you would like to contribute or get more involved in our extra-curricular music program in any way throughout this year and into the future we encourage you to come along to our first annual Kedron Instrumental Supporters Group meeting on Tuesday 4 of March in the Music Block (I Block) at 7:00pm.

We are all excited about the year ahead and we are all looking forward to catching up with the students over the coming weeks. If you have any questions prior to the commencement of the year please contact me on rhard61@eq.edu.au or call 3630 3307.

Mr. Hardy A/HOD The Arts

KEDRON INSTRUMENTAL MUSIC SUPPORTERS (KIMS) GROUP MEETING – TUESDAYS 4 MARCH
A reminder that members of the Kedron community are invited to attend the first annual Kedron Instrumental Music Supporters (KIMS) group meeting this Tuesday 4 March at the music block (I Block) from 7:00pm. If you’d like to contribute to our award winning extra-curricular music program, or just find out more about our plans for 2014 you’re welcome to come along and get involved.

If you’d like more information feel free to contact me, Mr. Rohan Hardy (A/HOD the Arts), on rhard61@eq.edu.au or call 3630 3307.
OUTSTANDING ATHLETES
With the representative sporting season well underway we have seen a large number of our students earn higher honours.

**Met North**
- Volleyball: Ivy Lavita
- Baseball: Daiki Kimoto

**Central Districts**
- Netball: Rachel Woodgate, Jennifer Turner, Taryn Armour and Che-La Radnedge
- Touch: Massa Kesselly, Danielle Brown, Xanya Wilson, Naszet Guartero, Lani Fabila, Israth Fazahir, Maecyn Barron, Emily Rogers, Caleigh-Maree Dorr, Joel Jeffreys, Kenneth Christian, James Johnson

Congratulations to all these athletes and we wish you the best with your representative teams.

CENTRAL DISTRICT SWIMMING CARNIVAL
The Kedron SHS Swim Team recently competed in the Central District Swimming Carnival at the Valley Pool. This pitted us against the seven other schools who make up our region. Our team was one of the largest there and it was great to see so many students having a go. At the end of the day we finished 2nd and had a number of students achieve individual honours.

Congratulations must go to Louis Nielsen (Year 12) who won his Age Championship for 18 Years Boys. Two other notable performances were from Noelle Pugliese (Year 8) who came second in the 13 Years Girls division and team captain, Samantha Perkins (Year 12), who finished 3rd in the 18 Years Girls division. Well done to these three swimmers as well as all of those who qualified for the next level, the Met North carnival.

CHERMSIDE MEDICAL COMPLEX OPEN DAY
On Saturday 18th February, Mr Claridge accompanied 12 Kedron students taking part in an open day at the Chermside Medical Complex. A wide and diverse range of health care workers and support staff were available to talk to students interested in a career in the health care sector, with simulated and interactive displays, and all areas open for an exclusive guided tour for a behind the scenes look at the wide range of services provided from the complex. Students had privileged access to the following staff and services throughout the tour:

- Gastroenterologists
- Haematologists and Oncologists
- Urologists
- Oral & Maxillofacial Surgeons
- Plastic Surgeons
- Anaesthetists
- Neuronomics & Cochlear experts
- Orthoptists
- Radiographers and Registered Medical Radiation Technicians
- Specialist Nurses
- Pathologists and Laboratory Technicians
- Physiotherapists & Podiatrists
- Pharmacists
- Industry members, including biomedical and pharmaceutical representatives

2014 NEXT STEP SURVEY
The Queensland Government is conducting its annual statewide survey of all students who completed Year 12 in 2013. The Next Step survey is a brief, confidential survey that gains a comprehensive picture of the employment, study and life choices made by Queensland school completers in the year after they finish Year 12.

Between March and June, all our students who completed Year 12 last year can expect to receive instructions to complete a web-based survey or a telephone call from the Queensland Government Statistician’s Office to complete the survey. Please encourage them to take part. If their contact details have changed, please assist the interviewer with their updated details or forward the survey to their new address so they can participate. Thank you for your support of the Next Step survey in 2014.

For more information visit www.education.qld.gov.au/nextstep/ or telephone toll free on 1800 068 587.
LANGUAGES NEWS

Chinese Cultural Day
On Friday 21 February Chinese Students in 8-10 and Cultural Studies students were treated to a half-day workshop run by the Confucius Institute at QUT and Kedron SHS. Students participated in many varied activities, including: Chinese Taiji ball, Chinese cooking, paper cutting and Ribbon Dancing.

Special thanks to Kedron mum, Mrs Kam Foong Lai, who taught students how to make delicious Chinese food, including fried noodles. Thanks also to Ms Wu who co-ordinated the program with the help of Ms Burman and Ms Burrett.

Extended Trip to France
For 6 weeks over the Summer holidays I went to France and stayed with a homestay family in Saumur. While there I attended school at Institution Saint Louis and enjoyed a traditional French Christmas with the family. Although I was initially hesitant to go because of the language barrier I found that not only did my family and school network provide language support they were also friendly and were keen to learn about Australia as much as I about France. As a result of this I found that my French abilities increased tenfold as did my cultural awareness. While there I experienced shopping, ice skating, a visit to Clos Lucé (Leonardo da Vinci’s house!) and various chateaux however what was the ultimate experience was the enrichment I gained from experiencing the cultural, social and political differences found in one of the world’s oldest and most influential countries.

KEDRON SUPPORTS INTERFAITH HARMONY

During “World Interfaith Harmony Week” Kedron staff and students attended a unique event on February 11th and the Aspley Uniting Church. The event was a Sikh Langar (traditional service of free meals to any visitors to the Sikh Gurdwara) served within a Christian Church.

The event was sponsored by the North Brisbane Interfaith Group, Taigum Sikh Community and Trinity College. There were representatives from the Baha’i, Buddhist, Christian, Hindu, Jewish, Muslim and Sikh communities from Brisbane.

Kedron S.H.S. has students and staff from a wide variety of faiths and so it was pleasing to see so many people from our Kedron community showing their support for interfaith conversations and understanding. The students included our School Captain Jared Harmer, Ishpratap Minhas, Molly Lang, Sabi Baines and past student Taranjot Minhas. The staff showing their support were Mr Aspinall, Mrs Thomson, Mr Singh, Ms Kaur and Mr Lang. It is hoped that participation in such events in the future will provide a solid basis for Interfaith harmony within our school community.

FIGHTING DEPRESSION- FROM THE GUIDANCE OFFICER, FIONA LYON.

With recent media highlighting celebrities, Charlotte Dawson and Ian Thorpe, suffering Depression I thought it timely to remind parents of resources and supports to access for loved ones also battling mental health concerns (such as Anxiety and Depression).

Research indicates that ongoing difficulties – living in an abusive or uncaring relationship/household, long-term isolation or loneliness, prolonged exposure to stress at work or school – are more likely to cause depression than recent life stresses. However, recent events (such as losing a family member or significant relationship or heightened stress in their lives) or a combination of events can ‘trigger’ depression in people who are already at risk because of past bad experiences or personal factors.

Factors that contribute to (although are not necessarily the sole cause of) mental health, may include: Family history, Personality, Serious medical illness and Drug and alcohol use. Everyone is different and it’s often a combination of such factors that can contribute to a person developing depression. It’s important to note that a person can’t always identify the cause of depression or change difficult circumstances. The most important thing is to recognise the signs and symptoms and seek help as soon as possible.

Signs and symptoms: How to recognise them?
A person may be depressed if, for more than two weeks, he or she has felt sad, down or miserable most of the time or has lost interest or pleasure in usual activities, and has also experienced several of the signs and symptoms across a variety of the following:

- Changes in their usual behaviour (e.g. not going out anymore, not getting things done at work/school, withdrawing from close family and friends, relying on alcohol and sedatives, not doing usual enjoyable activities, unable to concentrate);
- Ongoing negative patterns of thought (e.g. ‘I’m a failure’, ‘It’s my fault’, ‘Nothing good ever happens to me’, ‘I’m worthless’, ‘Life’s not worth living’, ‘People would be better off without me.’
- Changes in feelings (e.g. overwhelmed, guilty, irritable, frustrated, lacking in confidence, unhappy, indecisive, disappointed, miserable, sad, etc.
- Changes in physical feelings (e.g. tired all the time, sick and run down, headaches and muscle pains, churning gut, sleep problems, loss or change of appetite, significant weight loss or gain, etc.)

It’s important to note that everyone experiences some of these symptoms from time to time and it may not necessarily mean a person is depressed. Equally, not every person who is experiencing depression will have all of these symptoms.

If you suspect someone you care about may be experiencing difficulties, please direct them to the Beyond blue website for further information. http://www.beyondblue.org.au/the-facts/depression There is also a useful checklist for people to check in to see how they are feeling and to monitor their thoughts.
Please support the individual by encouraging them to seek professional help—visit your family GP to access a mental health care plan for allied health support (Psychologist, etc.). If they are a student from our school, please arrange for the mental health care provider to communicate with me so we can better support your son or daughter at school.

Email: flyon2@eq.edu.au

MORE EXERCISE, LESS INDOOR/SCREEN TIME.

Last month, the Australian government’s Department of Health released a new national initiative called Australia’s Physical Activity and Sedentary Behaviour Guidelines. It reported nine out of ten people do not move enough (based on Australian Bureau of Statistics studies in 2013). It also emphasises the importance of less ‘screen’ time and more outdoor activity time (see link below).

There has been growing evidence on the value of exercise on students’ academic achievement and individual social and emotional wellbeing (of all ages). The Department of Education introduced the Smart Moves policy in July 2007, with full administration taking place in 2009. In 2011, an evaluation report summarised the benefits and barriers of the policy, highlighting the benefits of ensuring physical activity every day. It also acknowledged difficulties maintaining it within school time due to curriculum constraints. The report listed a range of positive impacts including student readiness to learn, confidence with physical activity and participation in physical activity outside of curriculum time.

Over half of principals surveyed reported Smart Moves as having a positive impact on behaviour management issues (56.4%) and student readiness to learn (50.9%). In addition 49.5% of principal respondents reported a positive impact on both student academic performance and effectiveness of community partnerships for physical activity.

Given the confines of time and the demands of National Curriculum (etc.), it becomes even more crucial for exercise to be achieved outside of school time, instead of sitting on the sofa or at a desk, sedentary for hours on end.

We are inundated with TV programs to lose weight and an abundance of cooking programs, combined with news reports and statistics about the growing obesity epidemic in young people. Such influences can be positive or negative, depending on perception. In general, people appreciate the after effects of burning off Cortisol (‘the stress hormone’) and releasing Endorphins (‘the happy hormone’) from exercise or sport. The most salient obstacle then becomes one of time management and motivation. It is time we got off the sofa and did something about it. My suggestion is to start small, do it with a friend or family—make it a social, enjoyable experience (not an onerous task that young people resent). It brings you closer to your children to play a sport/do exercise together and if you include your pets, they will thank you for it too! It is also a great way to get reluctant teenagers to chat to you en-route. ☺

Last year, I travelled to Oman in the Middle East and I saw a sign in a park that stated, ‘Move Your Body, Lose Your Fatty’.

I thought it a great slogan to share with you. I strongly believe that, in moderation, exercise and a healthy diet is fundamental to social and emotional wellbeing. Whenever we feel low, lethargic, flat or unwell- exercise in the great outdoors/nature is the best medicine. ☺

For further information please access the following resources:
Ms Fiona Lyon - Guidance Officer

LIBRARY NEWS

Library access:
Our library is open Tues – Thursday 8am – 4pm, Monday 3pm close, Friday 3.30pm close. Tutorials are run Tuesday and Wednesday 3-4pm; check your tutorial calendar on our website for details of subject sessions offered by teachers.

Loans:
All students should now have their id cards, which are their library card, print activation card and photocopy access card. These should be brought to school daily. We encourage every student to be active borrowers, offering a range of fiction, non-fiction, manga, short stories, poetry, biographies, magazines, audio books and picture books for loan.

Assignment support:
Access to a range of subscription databases for research is via school intranet – library search, Research Toolbox, Databases link. The word doc can be saved to student laptop, or emailed home for home access. For a copy, email library@kedrons hs.eq.edu.au.

Attribution of original authors’ works adhering to the principles of academic integrity is one of the criteria for research based assessment. In Years 10-12 all research based assessment is checked for plagiarism and correct referencing through submission to Turnitin. In its third year of use at Kedron, this software program enables teachers to draw students’ attention to the importance of developing this skill and how to do so. Students will be given access by teachers who will ask them to upload their work to be cross matched against a repository of websites, journal articles and online materials. Matches on the student paper highlight where text and end-text referencing must be included.

Referencing conventions dictate that adherence to correct format is essential. Citemaker is a tool which auto formats sources used in research tasks, creating reference lists and in-text citations for use in final submissions. Students can create their own account, save, email, print and edit. Students are now able to recharge their laptops within the library. Please ensure power cords are clearly labelled with the owner’s name.

Ms Fairley, Teacher Librarian
On the 18th of this month Kedron held its annual “Meet and Greet” and Year 8 dance, for our newest members of the Kedron community. The night began with a successful barbeque, hosted by the Year 12 prefects, during which Year 8 parents had the chance to meet and chat to teachers regarding the year ahead. This was promptly followed by a show of Kedron’s multicultural diversity, a welcome speech from the Year 8 Prefects Courtney Haim and Frankie Futerker, as well as an introduction from our school captains Naszet Guar scattered and Jared Harmer. To end the “Meet and Greet” the talented senior music students put on a wonderful performance for us all.

After this the year 8’s made their way the dance, where Year 12’s had lots of games and fun organised. Overall the night was very successful. On behalf of all the Year 12 prefects we are looking forward to a very exciting year ahead!
